Bulldog Community Service Project

A group of seniors at the Mount Vernon High School have chosen Criminal Justice as the focus of their Culminating Project. These projects are part of the graduation requirements and require students to integrate what they've learned throughout their studies at MVHS with the hope of gaining knowledge of a future profession.

MVHS School Resource Officer Brien Reed will mentor them as they learn about MVPD and the criminal justice agencies. This group will be doing service and projects throughout the community. The first of which will be a wall located just west of campus that has been frequently hit with graffiti.

Working in collaboration, property owner, School Resource Officer Reed and MVHS students hope to turn this wall into long lasting mural that provides a source of community pride.

Directed Traffic Mission for October

During the month of October Police Officers will be educating and enforcing cell phone talking, texting and distracting driving laws.

Distracted driving is a dangerous epidemic on America's roadways. According to U.S. Department of Transportation, 3,154 people were killed in distracted driving crashes in 2013.

Please visit <http://www.distraction.gov/> to learn more about distracting driving facts.
